St. Nicholas School cost per pupil is $5,000. Through your stewardship, additional income is generated and costs are contained. For St. Nicholas School to remain a stewardship community, it is expected and required that each parish school family **volunteer a minimum of 40 hours between June 1 and May 31 of each year**. Volunteerism plays a vital role in helping our school run smoothly and efficiently, as well as demonstrating to our children that parents play an active role in their Catholic education. (Tuition families are not required to volunteer; however, we encourage their participation since it helps unite our school community.)

Please indicate which opportunities you would like to participate in:
